Re: Banddprojects, Benjamin van Binsbergen

To whom it may concern

It gives me great pleasure in recommending the above project contractor for the manufacture, supply, coordination and execution of a host of specialised services pertaining to interior design projects

The variety of disciplines includes the following:

- Suspended and skimmed Ceilings alike including detailed trough and curved work
- Drywall partitions ,including doors, openings, framework and related ironmongery fitting
- Brickwork in partition walls, stall risers , shop fronts, including overhead folding construction elements
- Waterproofing membrane to floors and walls
- Floor and wall tiling
- Timber floors
- Electrical installation
- Plumbing installation
- Compliance certificates
- Timely completion

We trust the above will be of interest and any further references can be directed to the writer

Yours sincerely

Philip de Vries
