

*"Working with Benjamin from B&D Projects was an absolute pleasure. They completely renovated our front living room, kitchen, and passage, removed the stipple from the walls and smoothed them perfectly, replaced the roof in the passage, and had the exact same vision as us when it came to the décor, every detail was executed flawlessly. I work from home, so I was concerned about noise, but Benjamin and his team were considerate and checked in with me to schedule the noisier tasks around my meetings.*

*Benjamin has a real passion for his work and takes the time to explain things so that you understand why and how each step needs to be done. He was always on-site personally overseeing the work to ensure everything was done to the highest standard. The team was incredible, polite, neat, and respectful throughout the entire process. The project was completed efficiently and with workmanship that exceeded our expectations. I would highly recommend Benjamin and his team to anyone looking for quality, professionalism, and attention to detail.*

*With thanks; Lora-Leigh Huskisson"*

*"We cannot recommend Benjamin and the team at B&D Projects highly enough. They did an outstanding job on our home, spraying, cleaning, and rubberising the roof (the garage roof) and completely renovating our bathroom. For the bathroom, they carefully bashed out the old fittings, replaced the tiles, shower, and roof, and even resprayed the bath, leaving everything looking immaculate.*

*From start to finish, the team was professional, organised, and respectful, always ensuring that the work was done to the highest standard. Benjamin personally oversaw every aspect of the project, making sure that everything ran smoothly and according to plan. The team's attention to detail, care, and workmanship truly exceeded our expectations.*

*We are incredibly grateful for their dedication, patience, and professionalism. The entire process was stress-free, and the results have completely transformed our home. We would not hesitate to work with Benjamin and his team again and would recommend them to anyone looking for a reliable, skilled, and conscientious team for their home improvement projects.*

*Marshall Davids"*
